2. Lot Owner Occupied Lots
  - a. Lot Owners must register annually within 72 hours after initial arrival, or each November 1<sup>st</sup> for those that live at the Palms Resort year-round. This includes updating their relevant information, handling passes and badges, and pet registration requirements as outlined in section F1.
  - b. Lot Owners must display the authorized Palms RV Resort decal on the left side of the windshield of the vehicle(s).
  - c. Lot Owners whose permanent or semi-permanent residents exceed a two-person occupancy per lot shall register prior to exceeding such two-person occupancy through Management. A Resort Fee per person per month may be assessed, as determined and added to policy at a later date by the BOD, and paid prior to the excess of two- person occupancy beginning.
  - d. Lot Owners must register all visitors that stay in the Resort overnight prior to their arrival with the LOA office. If a visitor is not staying overnight, Resort Security should be notified that a visitor is expected prior to the visitor's arrival. All visitor's vehicles must display appropriate visitor pass. The vehicle pass will only be valid for the time period approved and registered.

- e. Visitors may visit a Lot Owner for a cumulative period not to exceed one (1) month during the season (October through April). Minor children/grandchildren may visit a Lot Owner for a cumulative period not to exceed 14 days for each minor during the season (October through April). The length of the visit may be less restrictive during off season (May through September), as approved by Management. Visitors may make day visits to Lot Owners, but if staying overnight, they must register with the LOA office, and a Resort Fee may be assessed as determined by the Board of Directors.
- f. If time period of visitor occupancy changes from initial registration, the Lot Owner shall report change to the LOA office, and any applicable fees shall be paid prior to the extension of time. The visitor vehicle pass will be extended the appropriate period of time. No refunds shall be issued. The visitor will be considered trespassing if registration or applicable Resort Fees are not completed and paid in a timely manner, and the Lot Owner shall be responsible for the payment of appropriate fees.
- g. If a Lot Owner has inadequate housing for their personal visitors and wishes their visitors to stay at another Lot Owner's property, the Lot Owner with the personal visitors must still register their visitors as stated in 2.d. above. Rules relating to visitors apply, including 30-day cumulative limit and visitor vehicle pass requirements.

### 3. Lot -Owner Lot Rentals

- a. Lot Owners may permit others to occupy their premises as either lessees or guests. During any such occupancy, Lot Owners must ensure that these individuals comply with all published policies of the Resort as outlined in <https://yumapalmsrvresort.com/documents>. Lot Owners are liable for any violation of these policies by their lessees and guests and shall, upon demand, reimburse the LOA for any damages to Resort property.
- b. Lot Owners are responsible for Rental Guest registration and paying required fees directly to the LOA office as listed below. When a Lot Owner rents their property for any length of time, the LOA office shall be provided, 15 days prior to arrival, the name, contact information, time period and dates of lease, and a description and license plate number of their RV and vehicles. Registration includes pet registration requirements as outlined in section F1. This provision serves as the official request mentioned in Arizona Law.
- c. At that time, in accordance with Arizona law (ARS) 33-1806.01 D., the Lot Owner will pay the LOA an administrative fee of \$25 for each new tenancy, which includes a vehicle pass. Such fee must be paid within 15 days of registration. An additional charge of \$25 will be assessed for each ID badge

requested for recreational use. At such time the fees are paid, including applicable Resort Fee, a vehicle pass and access to appropriate amenities will be provided for such time period. If above registration information isn't provided within 15 days of registration and prior to tenant's arrival, a \$15 late fee will be assessed, and reasonable efforts will take place to provide a vehicle pass as soon as possible. However, there is no guarantee of admittance if, for example, incomplete information or compliance of applicable Rules and Regulations are not met, and such tenants will not receive vehicle pass into the Resort or ID badge to use the amenities. If any tenant inappropriately gains access into the Resort, they will be considered trespassing and may be asked to leave the Resort.

- d. Rental rates are based on two-person occupancy. Lot Owner Rental Guests whose permanent or semi-permanent residents exceed a two-person occupancy per lot may be subject to a Resort Fee per person per month. - g. If time period of visitor occupancy changes, the Lot Owner shall report change to the LOA office and any applicable fees shall be paid prior to the extension of time. The visitor vehicle pass will be extended the appropriate period of time. No refunds shall be issued. The visitor will be considered trespassing if registration and applicable Resort Fees are not completed and paid in a timely manner, and the Lot Owner shall be responsible for the payment of appropriate fees.
- h. All Lot Owner Rental Guests and their visitor's vehicles must display appropriate visitor vehicle pass.
- i. In accordance with CC&R Article 5-General Restrictions, 5.19 Leases, Lot Owners cannot lease a portion of a lot, only the entire lot. Thus, Lot Owners
